

Academic Excellence

How much is your child reading at home? Whether it's you reading to your student or your student reading independently, you should aim for 20 minutes daily, which has shown to make significant differences to test scores.

Congratulations to our 8th graders that completed the high school entrance exam and interviews this past weekend! We are so proud of you!!

Christian Values

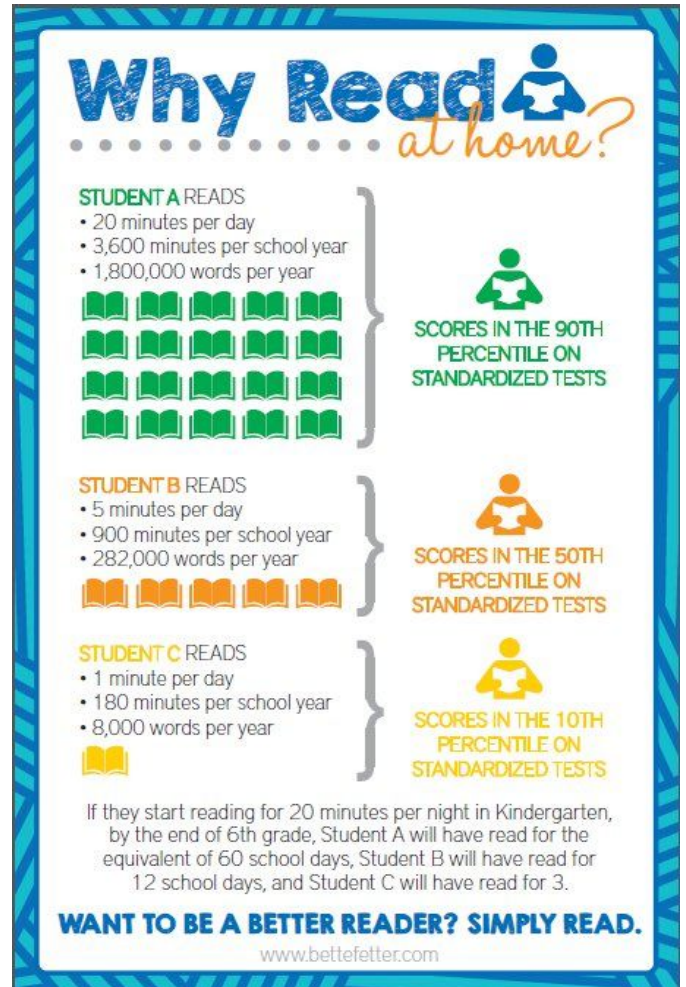

I am third.

This phrase that students hear and see regularly means a lot to our community. We all love to put God first, others second, and ourselves third. We want to live for God by working for others. Throughout the holiday season, we will have various ways to live out *I AM THIRD* in actionable ways. We hope this goes beyond our school walks so you can see your child being a young man or lady living for others.

Our younger grades, ECC-4th, are collecting travel size personal hygiene products to create bags to give to those in need. Even if your child is in a different grade, if you would like to donate, we will gladly pass on your donation!

All donations are due by Friday, December 13. Thank you for your generosity!

Our Christmas Performance will be on December 18 at 6:00 pm. We look forward to celebrating with you and your family!

Our Ballroom Dance Competition,

where we had five girls compete. The girls took home the top prize in the Waltz category. So proud of Hamirat, Khloe, Vashti, Danica, and Zoey!!

If you have not filled out a lunch form for the school year and may qualify for free or reduced lunches, I am asking that you please fill out your information by November 30. Whether or not you decide to go with the school lunches, there is funding tied to the school percentage of free and reduced lunches. We need everyone filling out the paperwork to help make a greater impact!

Tomorrow (Thursday) is Catholic High School or any college shirt day with school bottoms. This is a great way to start conversations about the future and show pride in future Alma Maters!

God bless,
Mrs. Mostyn

Entrepreneur Club

Entrepreneur Club has come up with a laundry list of ideas and is still working on more! The students are putting all of their energy into solving a problem they feel in life, and the ideas have not stopped following! As we start creating the product and invention, we will share!

Nominate a Teacher

We have amazing teachers at St. Ailbe! Why not try to recognize them for all of the hard work they put in to ensure your child is growing to success? 93.9 recognizes

teachers weekly with their Teacher Salute who have really made education their life's work. If you feel like you have had a teacher that has truly impacted your child, click on the link below. We'd love to recognize teachers more, and this is one way to get the word out about everything they are doing!

Reminders

Please remember to check the school calendar on our school website at stailbeschool.org. The first Tuesday of the month is early release at 1:30 for collaborative professional development. Students may stay until their regular dismissal time (3:15/3:30) at no additional charge.

In inclement weather, student dismissal is from the church doors off of the large parking lot. YOU DO NOT NEED TO LEAVE YOUR CARS. Pull around, and your child will be escorted to the car.

We do not want parents/guardians entering the doors due to space constraints and safety.
