CONFERENCES- OCTOBER 16th

You should receive an email from your child's teacher to sign up for a Zoom conference time, to be held on Friday, October 16. During this time, you will hear about student work, student growth and development, and make a plan for continued success. All sign ups will happen through the links sent out by individual teachers. Please sign up by WEDNESDAY, October 7.

Relationships Come First

SURVEY

For all parents, this new way of learning has been an experience! I genuinely appreciate the unsolicited emails that have been flowing into my email expressing how excited you are at home and how well you've seen the virtual instruction working. On MONDAY, October 5, you will receive a short survey. As we continue with this model through the end of the trimester, we will use your feedback to support you and your child's learning and development. Please take the time to respond by WEDNESDAY, October 7. Thank you for your feedback!

IN PERSON EXTENDED CARE

If your child is attending in person, please remember that you MUST sign up for extended care (both before and after) by the Wednesday prior to the week your child is attending. All links can be found at stailbeschool.org under the Main Office tab.

Catalyst for Change

STUDENT OF THE WEEK

The idea of making a community change begins with just one person choosing "right". Our St. Ailbe students are a force in creating an amazing wave of change, and we are going to recognize this weekly. We are going to start highlighting a student who has done amazing things, both within and outside of school. **If you have any nominations for a student who has gone above and beyond for his fellow students, neighbors, or community, please let us know so we can share that out!** We are excited to begin next week, and look forward to your recommendations as well! ***Nomination forms are available at stailbeschool.org under the Main Office tab.***
