

How to Access Seesaw (Families):

There are 2 options for how you can create a Family account on SeeSaw. You only need to choose ONE option to create your family account. After you create your account, follow the instructions for the “Getting the App” section.

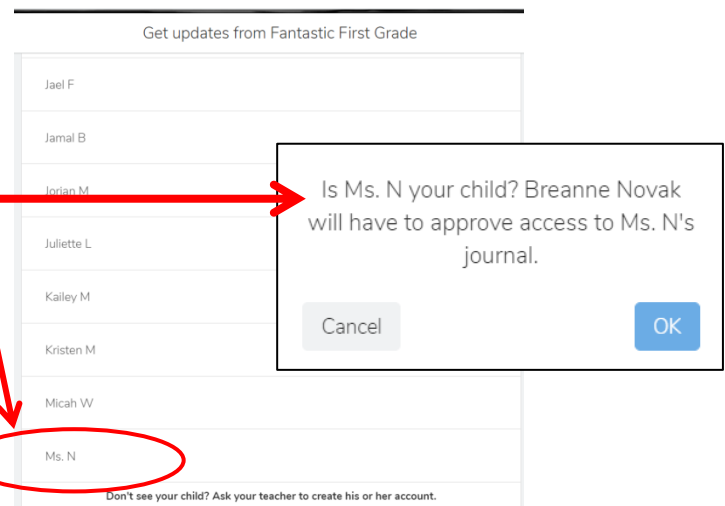

Option A:

1. Open the email invitation from me (it will show up being from “Seesaw”).
2. Click the “Join __ (student’s name) __’s Journal”
3. Create an account and log-in information.
4. Congrats, you now have a Seesaw account!

Option B:

1. Go to this website
<https://app.seesaw.me/s/685-790-648>
2. Choose your student from the list of students
3. Confirm your student choice
4. Create an account and log-in information
5. Congrats, you now have a Seesaw account!

Getting the App (ONLY DO THIS AFTER YOU HAVE COMPLETED EITHER OPTION A OR B)

1. Download the Seesaw Family app on your smartphone (it has to be the one labeled Family)
2. Click the green “Family Sign In” button
3. Enter the log-in information you created during Option A or B
4. Congrats, you can now access your family account from your phone!
